Item 4 - A: Resolution No. 11 – Initiating the Process for Changing Election Methodology to a By-Trustee Area Method, Adopting a Map of Proposed Trustee Areas, and Recommending that the Orange County Committee on School District Organization Approve and Establish Trustee Areas from which Garden Grove Unified School District Board Members will be Elected in a By-Trustee Area Election Process

The California Voting Rights Act (CVRA) was enacted in 2001, and took effect in 2002. The CVRA generally provides that “an at-large method of election may not be imposed or applied in a manner that impairs the ability of a protected class to elect candidates of its choice or its ability to influence the outcome of an election, as a result of the dilution or the abridgment of the rights of voters who are members of a protected class. . .” Since the district currently has no trustee areas, and an “at-large” election system, it is vulnerable to a legal challenge under the CVRA. This proposed action is designed to ensure compliance with the CVRA or, at minimum, to avoid costly litigation alleging a violation of the CVRA.

At its regular meeting held on May 6, 2014, the Board adopted Resolution No. 28, authorizing and directing the Superintendent to immediately initiate the legal and regulatory process to establish trustee areas within the district and to change the method of electing members of the Board. The latter direction will move the district from the current at-large system, to a method which provides that Board members residing in each trustee area will be elected by the registered voters of that particular trustee area. Resolution No. 28 directed that this process be completed in sufficient time for the new method of electing members of the Board be in place for the November 2016 election.

District staff, along with legal counsel and the Dolinka Group, implemented the initial steps of this transition by developing three (3) conceptual trustee area map scenarios for the Board to consider. At its regular meeting on August 19, 2014, the Board took action to send two of the trustee area scenarios out for public review and input. Information was available and input was received at community meetings on September 8, 10, 23, and 25, 2014, at a Regular Board Meeting on September 16, 2014, and online at the district’s website. All input received has been provided to the Board.

This item is for the Board to consider and discuss public and staff input on the scenarios, and take action to formally adopt a single trustee area map. After Board adoption of the Resolution, staff will work with the County Committee on School District Organization to further the process, with the intent of implementation for the November 2016 election.

Agenda Item 4-A – Resolution No. 11 (cont.)

It is recommended that the Board adopt Resolution No. 11 which initiates the process for changing election methodology to a By-Trustee Area method, adopts a map of proposed Trustee areas, and recommends that the Orange County Committee on School District Organization approve and establish trustee areas from which Garden Grove Unified School District Board members will be elected in a By-Trustee Area election process.

On motion of Trustee _____, seconded by Trustee _____, and _____, the Board of Education adopted Resolution No. 11 which initiates the process for changing election methodology to a By-Trustee Area method, adopts a map of proposed Trustee areas, and recommends that the Orange County Committee on School District Organization approve and establish trustee areas from which Garden Grove Unified School District Board members will be elected in a By-Trustee Area election process.
